HUNTING IN THE TIME OF COVID

Ground Rules Follow the COVID guidelines for any site you visit please! We will provide you with links for those when applicable in a clue. And you'll need to wear a mask if you find yourself within 6 feet of anyone else from outside your household (state rules!). We are all in this fun adventure together – and it's important that we help keep one another healthy, while also having a bang up, good time! **MAXIMUM TEAM SIZE:** One household. We do not, due to COVID, recommend that people from multiple households jump in a car together...though we totally recommend that you compete with your neighbors and friends!

Visiting Sites Many sites may have special visiting rules, due to COVID. We encourage you to visit their websites/call before visiting to see if you need to make any kind of reservations to visit their sites (and this is true even if they are free to visit in that it may relate to things like limits on visitors they can host).

IMAGE & LIABILITY RELEASE

By participating in The Hunt participants (a) take on full personal responsibility for any risk, injury, or harm that may come from the activities they pursue during The Hunt; (b) commit to pursuing all activities related to The Hunt in a safe and responsible manner that is both considerate of those around them and also within their individual capability levels; and (b) agree to hold Council (VCC) harmless of any and release VCC of all liability due and or related to participation in this event. Participants also agree that in participating, submitted images may be utilized in Vermont Cheese Council marketing and promotional materials.
